Introduction

These Terms and Conditions ("Terms") govern your access to and use of the Novos Ventures website at novosventures.com (the "Website") and the services we provide. Novos Ventures is owned by Truway Sunergy Ltd, a company registered in Ireland (CRO No. 577016) ("Novos Ventures", "we", "us" or "our").

By accessing or using the Website, or by engaging us for any service, you agree to be bound by these Terms. If you do not agree, please do not use the Website or our services.

1. Definitions

- "Client" means any founder, company, investor or other person or organisation that engages Novos Ventures for services.
- "Engagement Letter" means a written proposal, statement of work or agreement setting out the scope, fees and specific terms of a paid engagement.
- "Services" means the accelerator, investor-readiness, fundraising advisory, investor outreach, investor database and related services we offer from time to time.
- "Content" means all text, graphics, logos, documents, templates, data and other material made available on or through the Website or our Services.

2. Our Services

Novos Ventures is an accelerator and advisory firm that supports startups and growth companies in preparing for and running fundraising processes with angel investors, venture capital firms and family offices, and supports investors in accessing opportunities.

We also offer grant funding support: we help companies identify local, national and EU grant programmes they may be eligible for and, where agreed, help prepare grant applications. Some draft text may be prepared with the help of AI writing tools; every draft is reviewed by our team, and you remain responsible for checking the final application before it is submitted.

The specific scope, deliverables, timelines and fees for any paid engagement will be set out in an Engagement Letter. Where an Engagement Letter conflicts with these Terms, the Engagement Letter will prevail for that engagement.

3. No Investment Advice or Guarantee of Funding

Our Services are business advisory and introduction services. Novos Ventures is not a regulated investment firm, broker, bank or financial adviser, and nothing on the Website or in our Services constitutes investment, financial, tax or legal advice, or an offer or solicitation to buy or sell any security.

We do not guarantee that any Client will raise capital, secure an introduction, meeting or term sheet, or achieve any particular valuation or outcome. Investment decisions are made solely by investors, who should carry out their own due diligence and take independent professional advice. Investing in early-stage companies carries significant risk, including the risk of losing all capital invested.

For grant funding, eligibility, scoring and award decisions are made solely by the relevant funding body. We do not guarantee that any application will be eligible, successful or funded, or that a programme, call or deadline will remain open. Information about grant programmes on our Website or in our grant database is provided for guidance only and may change; always check the official call documents.

4. Use of the Website

You agree to use the Website only for lawful purposes and in a way that does not infringe the rights of, or restrict or inhibit the use of the Website by, anyone else. You must not:

- attempt to gain unauthorised access to the Website, its servers or any connected system;
- introduce viruses, malware or other harmful material;
- scrape, copy or harvest Content or data (including from any investor database) by automated means without our written permission;
- use the Website to send unsolicited marketing or to impersonate any person or organisation.

We may suspend or restrict access to the Website at any time without notice.

Enquiries, applications and newsletter

Submitting a Founder Funding Application, an Investor Partnership Enquiry or any other form on the Website does not create an engagement or any obligation on either party. We review every enquiry and may decline to work with any person or company at our discretion. Information and materials you submit, including pitch decks, are treated as confidential in accordance with section 8 and our Privacy Policy.

Our Investor Pulse newsletter and other Website content are general information only and do not constitute investment, financial, tax or legal advice. You can unsubscribe from the newsletter at any time.

5. Client Obligations

Where you engage us for Services, you agree to:

- provide information that is accurate, complete and not misleading, including in pitch decks, financial models and data rooms;
- where we help with a grant application, review and approve the final application before it is submitted, and confirm that its content is accurate and that your company meets the programme's eligibility rules;
- ensure you have the right to share any materials you provide to us;
- comply with all laws applicable to your fundraising, including company, securities, financial promotion and anti-money laundering rules;
- respond to our reasonable requests in a timely manner.

You remain solely responsible for the content of any materials shared with investors and for all decisions you take.

6. Fees and Payment

Fees for our Services are set out in the relevant Engagement Letter or invoice. Unless otherwise agreed in writing, invoices are payable within 14 days of the invoice date, in euro, and are exclusive of VAT, which will be charged at the applicable rate.

Where fees include a success-based element, the basis of calculation, the period during which it applies and the investors it covers will be defined in the Engagement Letter. We may charge interest on late payments in accordance with the European Communities (Late Payment in Commercial Transactions) Regulations 2012 and suspend Services until overdue amounts are paid.

7. Intellectual Property

All Content on the Website, including the Novos Ventures name and logo, is owned by or licensed to Novos Ventures and is protected by intellectual property laws. You may view and print pages for your personal or internal business use only. You must not copy, modify, distribute or commercially exploit any Content without our prior written consent.

Unless an Engagement Letter states otherwise, you retain ownership of the materials you provide to us, and on full payment you receive a licence to use deliverables we prepare for you for your own business purposes. We retain ownership of our methodologies, templates, frameworks, know-how and investor data.

8. Confidentiality

Each party will keep confidential any non-public information received from the other in connection with the Services and use it only for the purposes of the engagement, except where disclosure is required by law or the information is already public. With your consent, we will share relevant materials with prospective investors as part of the Services. These obligations continue after the engagement ends.

9. Third-Party Links and Introductions

The Website may contain links to third-party websites, and our Services may involve introductions to investors, advisers or other third parties. We do not control and are not responsible for third-party websites, their content or privacy practices, or for the acts, omissions or decisions of any third party we introduce you to. Any agreement you enter into with a third party is solely between you and that party.

Information about investors, funds and other organisations shown on the Website, including in our Investor Database, is compiled from publicly available sources for general information. Its inclusion does not mean that the organisation is affiliated with, endorses or has partnered with Novos Ventures, and investment criteria may change at any time. Opportunities we share with investors are provided for information only and are not an offer or recommendation to invest.

10. Limitation of Liability

The Website and its Content are provided “as is” for general information. While we take care to keep the Website accurate and up to date, we make no warranty that it is complete, accurate, available or free of errors or viruses.

To the fullest extent permitted by law, Novos Ventures shall not be liable for any indirect or consequential loss, or for any loss of profits, revenue, funding opportunity, business, goodwill or data, arising out of or in connection with the Website or the Services. Our total aggregate liability arising from any engagement shall not exceed the fees paid by you to us under that engagement in the twelve months before the claim arose.

Nothing in these Terms excludes or limits liability for death or personal injury caused by negligence, for fraud or fraudulent misrepresentation, or for any other liability that cannot be excluded or limited under Irish law.

11. Indemnity

You agree to indemnify Novos Ventures against any claims, losses, costs and expenses (including reasonable legal fees) arising from your breach of these Terms, from inaccurate or misleading information you provide, or from your breach of any law applicable to your fundraising.

12. Termination

Either party may terminate an engagement in accordance with the notice provisions of the Engagement Letter. Where none are specified, either party may terminate on 30 days’ written notice, or immediately if the other party commits a material breach that is not remedied within 14 days of notice. Fees for work performed up to termination, and any success fees that become payable in accordance with the Engagement Letter, remain due.

13. Privacy and Cookies

We process personal data in accordance with our Privacy Policy, and we use cookies as described in our Cookie Policy. Both documents form part of these Terms.

14. Changes to These Terms

We may update these Terms from time to time. The updated version will be posted on this page with a new “last updated” date and will apply from the date of posting. Changes will not affect any signed Engagement Letter unless both parties agree in writing.

15. Governing Law and Jurisdiction

These Terms and any dispute or claim arising out of or in connection with them, the Website or the Services (including non-contractual disputes or claims) shall be governed by and construed in accordance with the laws of Ireland. The courts of Ireland shall have exclusive jurisdiction, save that nothing prevents a consumer from bringing proceedings in their country of residence where mandatory local law allows.

If any provision of these Terms is found to be invalid or unenforceable, the remaining provisions will continue in full force. Our failure to enforce any right does not waive that right.
